# Fundraising

Restaurant-Quality Food. At Home.  
For Your Family.

Please see the next page for a complete list of Michael's product offerings.

# Products

Our fundraising program is built around our legendary meat and seafood.

Selection, aging, marbling and the skillful trim of an experienced meat cutter can change everything.

Top restaurants have chosen products from Michael's to please their guests and protect their reputation for over fifty years. They trust Michael's to reliably and consistently provide the high quality they demand.

All products are flash frozen and vacuum sealed so you know you are getting the best quality possible.
